## **Chris - No Excuses**

After practicing his craft for more than fifteen years in Luxembourg's music scene as a singer, songwriter and guitarist, **Chris** broke into the local rock scene in 2007 with his debut EP "**Open End**".

"Open End" featured no less than three hit singles that played on local radio stations such as RTL, Eldorado and DNR. Songs from "Open End" also appeared on two "Best of Luxembourg" music compilations.

The artist's latest album "**No Excuses**", released on October 2nd 2009, blends Chris's dynamic vocal work with outstanding guitars and unconventional sounds to churn out a fine collection rock for a new generation of fans.

With standout tracks like "No Excuses", "Sit and Wait" or "The Truth" playing on radio stations far and wide, Chris is an essential addition to any music lover's library.

The new album, offering a total of six brand new songs, was recorded at the Pick-A-Back studios in Germany and produced by Daniel Bukowski, Fred Molitor and Chris himself.

Fans may purchase "No Excuses" in local record stores or order/download the new album on the artist's new website **[www.chris-music.com](http://www.chris-music.com)**.
